1. Preliminary Statements

Applicant submits herewith patents, publications and other information of which he is aware which he believes may possibly be material to the examination of this application and in respect of which there may be a duty to disclose.

The filing of this information disclosure statement shall not be construed as a representation that a search has been made (37 CFR § 1.197(g)), an admission that the information cited is, or is considered to be, material to patentability, (37 CFR § 1.97(h) or that no other material information exists.

The filing of this information disclosure statement shall not be construed as an admission against interest in any manner. Notice of January 9, 1992, 1135 O.G. 13-25, at 25.

If documents are disclosed that, based on date of publication, may not be prior art to the applicant, then such publications are merely offered for consideration with respect to the state of development of the art, and shall in no way be considered as admissions against interest in any manner.

2. Time of Filing

This Information Disclosure Statement is filed before the mailing date of the first office action on the merits. 37 CFR § 1.97(b)(3).

3. Forms PTO/SB/08A and 08B (formerly Form PTO 1449)

See attached PTO Form SB-08A - Citation in Application.

4. Identification of Prior Application In Which Listed Information Was Already Cited and for Which No Copies are Submitted or Need to be Submitted.
